Dear Friends,

Springtime is approaching!

## **Please join Aldersgate in the spirit of giving, by giving back!**

During this time of the year, Aldersgate has a very special way you can help spread kindness to others: the spring Mother's Day Offering.

**"There is power within people and organizations to transform their communities and the world through giving."**

The Mother's Day Offering allows us to continue to serve residents who experience financial hardship through no fault of their own. Mother's Day Offering funds support Resident Financial Assistance which assists those who may outlive their resources, allowing them to live with peace of mind and dignity. Mother's Day Offering gifts can be made in honor or memory of any special person, with an acknowledgment sent to the designee(s) of your choice.

Generosity gives everyone the power to make a positive change in the lives of others. At a time when all walks of life are experiencing this pandemic, altruism can be what links people of all races, faiths and perspectives together across the globe. Even as we practice physical distancing, we can remain connected through goodwill and philanthropy. This connection can be the bridge that provides the financial, emotional and social support that nurtures our families, communities and elders.

To make a gift, simply make a check out to Aldersgate or donate online at [AldersgateMothers.org](https://AldersgateMothers.org). We also gratefully accept IRA Charitable Rollovers, as well as gifts of stock. For more information, please contact Karen Gipson, Chief Mission Advancement Officer at (704) 532-5333 or [KarenG@AldersgateLiving.org](mailto:KarenG@AldersgateLiving.org).

Thank you for your support of Aldersgate! May you and your family have a blessed spring season.

In His Spirit,

Brooke Hodge  
Executive Director

Karen Gipson  
Chief Mission Advancement Officer
